In accordance with your instructions
I have the honor to report to you that I was
assigned to duty at this place by order of the 2^d
Regt of State Cavalry 30/83, a copy of which
herewith accompanies marked No 1 — My
duties are mentioned therein as well as in Circular
order of Mar 24/83 — In addition to them I am
charged with auditing the Railroad accounts in
the State and by Special order 253 from the
Atty Genl to the examination & payment of
informal accounts against the Dept. a copy
of this latter order herewith accompanies marked
No 2.

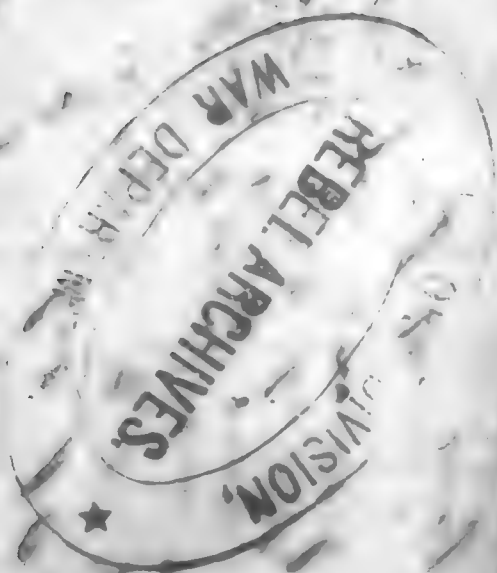

I have contracted with J. H. Deane
Put the Manufacturing Co for the product of
his factory as will appear from copy herewith
marked No 3. Also with J. H. Deane for shoes &
leather as per copy herewith marked No 4 —
I have pledged myself to Baker Casity & Co
to take all the wool they may deliver to me
at a 1/2 of a cent per lb at the price mentioned in
copy herewith marked No 5. This price is
the one now established for merchants & retailers
of cotton goods for wool by direction of Major
J. H. Deane. I am in charge of procu-
ring of wool & management of factories —
Under direction of Major J. H. Deane

my officers procure a large quantity of
 wool at the rate of exchange mentioned in
 this last exhibit — I herewith submit a
 copy of my last Consolidated Report showing
 Receipts and Issues in this Department
 marked No 6 — the greater portion of these
 articles were purchased and at prices not
 exceeding prices fixed by Imperial
 Commission for this State a copy of which
 I herewith file marked No 7.

I draw frays for ^{one} ~~two~~ pri-
 vate trusts — one public bank and two
 public trusts — I know of several cases
 of the sale of Imperial trusts to ^{officers} ~~bankers~~ under
 the order of Genl J E Johnston in Jackson
 in the month of June 1863 — the prices paid
 for trusts impeached under order of Genl J
 were far below the outside market price —
 I enclose a copy of the order to sell a bank
 to Lt Col Landrum the entire lot and
 of which he selected some Imperial trusts —
 He selected a bank which I considered one of
 the finest in the lot and worth then in the
 market twice the average price that I was
 directed to charge, the copy is marked No 8.

I also Enclose you a list of
 Employees in my office marked No 9.
 as well also a list of officers under
 my direction together with their details
 marked No 10.

Sir

Instructions, approved by the Secretary of War, relative to the exchange of Cotton for Army supplies have just been forwarded to you. In executing the same I hope that it will be in your power to secure valuable stores for this Department. Whatever you obtain will be held subject to the orders of this Office, as other stores are. Major Ewing in charge of Field Transportation in Mississippi, has made arrangements for the introduction of a large number of horses. It is very important to secure as many animals as possible, and you will carry out Major Ewing's arrangements to the extent that deliveries may be made under them. For the future all such contracts will be made through you upon conference with Major Ewing in conformity with the instructions just given. It is understood that there is a lot of Artillery horses, delivered for Forrest's Command, now awaiting payment at Genada Miss. As demands will be made upon you for other branches of the service, you will please suggest to what extent they should contribute in responding to calls for Cotton. The lot now placed at your disposal is all a charge against this Department.

Respectfully

Your obt. Serv.

IN REPLY
REFER TO

Respectfully returned to

Mrs. R. L. Phillips,
Registrar, U. D. C.,
Box #23,
Park Valley, Oklahoma.

The name T. W. Miner, private, Captain Maxey's Company (Lamar Rifles) Texas Light Infantry and Riflemen (State Service), Confederate States Army, appears on a muster roll of the organization, organized at Paris, Texas May 20, 1861, roll dated Lamar County, Texas July 6, 1861.

There are no later muster rolls on file in this office of the above named company and no other record of him has been found as of that organization.

The records also show that Frederick W. Miner, not found as Frederick William Miner, 1st Lieutenant, Company F, 22nd Regiment Texas Cavalry, Confederate States Army, enlisted December 21, 1861, at Paris, Texas, age 27 years, height 5 feet 10 inches, occupation lawyer, born in Connecticut, dark hair, blue eyes, fair complexion.

He is shown present June 20, 1862, but his service as such terminated shortly thereafter, the regiment having been re-organized on that date.

On July 2, 1862, and for a time thereafter he signed documents as Captain and Judge Advocate, Department of Indian Territory and was commended by Colonel D. H. Cooper for services in the battle of Newtonia, Missouri September 20, 1862.

He appears subsequently to have served as a Volunteer Aide-de-Camp on the staff of Colonel Cooper.

He was recommended for appointment as Captain and Assistant Quartermaster of the 1st Choctaw and Chickasaw Mounted Rifles, Confederate States Army, and he appears to have served as of that grade for on December 8, 1863, at Paris, Lamar County, Texas he tendered his resignation as Assistant Quartermaster of the 1st Brigade Indian Territory by reason of disability. An order was issued accepting the resignation to take effect January 15, 1864.

On February 26, 1864, the order was revoked, it having been ascertained that he had not been appointed as such by the President.

No later record of him has been found.

The undersigned, a practitioner of medicine in Lamar County, Texas, certifies that he has attended Capt. F. W. Miner, at various times within the last five years for disease of the heart, from which affection, said F. W. Miner is liable to die at any time or even suddenly - that the probability of cure is very remote. The said Miner has also been subject to dyspepsia for several years, and for a considerable time with chronic Gastritis. Recently, that is, within the last two or half months, he had a very severe & almost fatal attack of Gastritis. He is now very much emaciated and is very feeble, with very inefficient recuperative powers. His physical condition is such, at this time, that there is not the least probability of his being "fit for military ~~service~~" before the ensuing spring, until which time, a furlough is most earnestly recommended. But further, the undersigned, from his knowledge of the state of said Miner's health for the last five years, does not believe that said Miner will ever be able to perform "military duty" in any form, and therefore would respectfully suggest, that said F. W. Miner be unconditionally discharged from the military service of the Confederate States.

Hon. James A. Seddon
Secy of War

Sir:

As a graduate of the Mil. Institute I have been appointed Drill Master in the Provisional Army, and assigned to the Reserve Force of Virginia; but having recently seen that there is a large body of similar troops organized in Alabama, much in need of instruction, and with but few instructors, I have the honor respectfully to request that I may be ordered to report to Major Gen J. M. Wilkes Commanding Reserve Forces State of Ala.

This change will only transfer my labor to the limits of my native State, where at this time it is so urgently needed, and from the number of similar officers in this State engaged in the instruction of Reserves I may without detriment be spared. Hoping that under the circumstances this application may meet your approbation I have the honor to be

Sir

I respectfully recommend
Charles Minnigerode Jr, a son
of the Rev. Dr Minnigerode of the
Pewee Church in this city for
a cadetship in the Army.
This is a youth of great
purity of character, remarkable
intelligence and great aptitude
for military duty. He has been
my chief clerk for several months
and in recommending him I
am influenced by an interest
for the service, as I am unacquainted
with his family and no one
has spoken to me of the subject.

He is a youth

manifests a remarkable aptitude
for Delinquent Office duty.

He is of an age to receive
instruction and in a short
time his services will be
invaluable to the Department.

Q. I.
I have the honor to recommend that Charles
Minnegersode, be commissioned as Second
Lieutenant in the Provisional Army
Confederate States, and assigned to duty
with me. I am induced to make the recommen-
-dation because I think he is eminently deserving.

He has been with me for the past three months
in the campaigns against Pope and McClellan
in Virginia and Maryland, serving without any
compensation. To his training, he unites a high education
and excellent habits, and I have only one Act
and an Adjutant - (no Inspector or Ordnance Officer)
; he is exceedingly useful to me.

For a year previous to his being with me, he was
with Maj: Balwin Ordnance Department, after
from him to me on the subject I have the honor to enclose.

He is the son of the Rev: Dr. Minnegersode of this city

My dear Sir

Richmond March 26 1861

My oldest son Charles, now nearly 17 years old, has been working in the Ordnance department almost from the beginning of the war. His situation was not of his or my seeking; but by the unanimous testimony of all concerned has been filled by him in the most efficient and exemplary manner. His superiors, from the Chief of Ordnance down, and especially his immediate superior Capt. Baldwin, look upon his services as of the highest importance; and without his knowledge or mine, some time ago made application on his behalf for a Cadetship in terms which are said to be unexceptionable for strength or pertinency. This application, I am informed has not been renewed, because the first has been overlooked. My object in writing these lines is simply, to ask your kind attention to it whenever it comes before you, and give it due consideration. If upon a review of the terms of the recommendation and the source from which it emanates, you can feel justified in presenting his name - I am sure you will do so with pleasure, when you learn that I earnestly desire, and have many reasons now why I should desire the appointment for him.

Yours very sincerely

Dear Sir

The accompanying papers were sent me last night by Genl Sigbee. I will be
pleased to send them to you through some mutual friend.
This action of Genl Lee is entirely unadvised, nor has any expression

~~on my part suggested it~~, and perhaps it would have been more
advisable in me to decline all cognizance of it. But I have
our relations are such as to excuse me with you, if I add
the confession of my own desire, and that I would rather owe
to yourself the obligation, under which a speedy and earnest
consideration of the case will lay me.

My son has been in the service of the C. I. ever since. His war
 began. A position as responsible as the one now sought for him
 was given him without either his seeking or mine. But it
 was of his seeking, to enter the active service and not stay behind,
 while others exposed their lives in defense of the country. From
 the time that the armies threatened Richmond, he has been in almost
 every battle; and I could not find it in my heart to forbid
 him. It may be a violation of good taste on my part, but
 I believe it is not in violation of truth for me to say that in
 all his career, he not only proves his courage but a maturity
 of judgment, a readiness to perform every duty imposed upon him
 and a reliability for character and qualifications which fit him
 for the post he is now occupying on Genl Lee's staff.
 My son is not aware of this application I believe, and nothing

is farther from his mind, than to seek his own. If he
desires a Commission, it is partly because he has formed a
strong attachment for the military profession, and especially
because he desires, instead of being an ~~expense~~ expense to his father
to support him by his own earnings at ~~the~~ home, when the support
of a large family involves unprecedented expenses.

With the highest regard

Yours most truly & respectfully

Richard D. Webb

of sick

Recd May
19th 1862

Honorable Mr. [unclear] 1872

Surg. Gen. S. P. Moore

Sir

I was ordered to this place about ten days ago, with a number of sick & wounded soldiers. When I arrived, Butler promptly came forward, & rendered efficient & valuable aid in taking care of the sick.

Since which time, his intelligent attention has been given in rendering me assistance in practicing on them.

I take pleasure in testifying to his skill and industry in the discharge of these duties - Indeed I have met few ~~of the~~ Surgeons in the army but few ~~of the~~ with his ready & accurate knowledge of the practical duties of a Physician and Surgeon.

Respectfully, J. H.

Relation to Lumber

Rec'd July 1/63

Marine Hospital
Sunday 11th 63

Sir,

A few days ago the Carpenter
who is at work here, destroyed some pontoon
boats belonging to the Government & brought
the timber here; he was reprimanded for
this act, and I ordered him to put the
timber in a safe place so that it might
be turned over to the proper authorities.
I have applied to Capt. Jones the Quarter
Master for lumber to make bunk, and
he is not able to furnish me with any.
If the Government does not need the
wreck of the pontoon, I would like to
get authority to use it.

Very respectfully

Ann. Rep. - Sept 28. 62

Recommend the app^t of
Major Joseph Winter. to the
vacancy existing in the Quar-
ter Master Dep. regular Army

File Over.

Recd Sept 30. 62.

House of Representatives
Confederate States Congress
Sept 28th 1862.

To His Excellency Jefferson Davis
President &c.
&c.

We the undersigned would respectfully represent unto Your Excellency that, they are informed that there is a vacancy existing in the Quartermaster's ^{Department} of the "Regular Army" of the Confederate States. That, should this fact be so, they would most respectfully urge the appointment of Major Joseph Minor, now serving as Asst. Quartermaster Provisional Army at San Antonio Texas.

The high business qualifications & well established official integrity of this gentleman are well known, & may be readily attested by all officers connected with the Quartermaster's Department of the Confederate States, & of the United States for several years past. In this respect, it is only necessary perhaps, to refer to the fact, that Major Minor was a special favorite of & constantly retained in the Quartermaster's Department by the

late lamented General Albert Sydney Smith.
The chief inducement prompting the re-
designated, to seek the appointment of
for Major Miller, is the fact, that this
Heuman has been employed in the Quar-
termasters Department since the organization
of the army of the Confederate States, and
that he is understood to hold but the
rank of a first lieutenant in the Confederate
army.

Major Miller has been decorated
service, and the chances of promotion in
the line of the army, & we would re-
spectfully suggest that in consideration
of his long and valuable services to
the Government, eminently suitable him
to the appointment of the vacancy in-
dicated.

I have the honor to inform you
that since my last letter to you written
on my arrival in England July 29/64
(and after arrangements had been made
by one of the Contracting parties "Mr Russell"
to carry out the Contract of Boulton & Nevill
with Genl. E. K. Smith (and I have since
under which I was acting). I have received
advice from the P.M. Offr. informing me
that the Contract was annulled by Genl.
Smith, but that I would remain abroad
as the purchasing agent for the Trans-
Miss. Dept. This information left me, as it
was afloat with nothing to do, for want
of means to operate with, and being ex-
ceedingly anxious to get to work, and accom-
plish something for the Dept. to which I
belong, and being without funds to operate
with, I was induced to apply to Brigs Genl.
McRae Comd. Agent to aid me, and I am
happy to say that he has very promptly ag-
reed to let me have fifteen or twenty thousand
suits of clothing, consisting of Jacket
Pants

Shirts, Shoes, Socks, and Blankets, which
Maj J. P. Ferguson Order. will turn over
to me as fast as they can be gotten ready
We very Official Receipts for the same
These stores - I hope to get off for Havana
between the 1st + middle of Nov, from which
point they will go into the Quar. M^{rs} Dept.
with as little delay as possible.

In addition to the Clothing, Genl. McRae
has promised to furnish me with about Six thousand
Pounds Sterling for the purchase of such other
stores as are essentially needed for the Quar. M^{rs}
Dept. at this time, which purchase I shall make with
as little delay as possible, and forward in the same
manner as the Clothing. During my stay here
awaiting further orders from Home I shall
endeavor to make myself generally useful in assisting
Maj. Ferguson who is very much pressed at this time
in the discharge of his duties, and should I be tem-
-porarily assigned to duty by Genl. Smith as the pre-
-siding agent for his Dept. I shall act in connection and
conjointly with Maj. Ferguson whom I consider a most
estimable officer, and by our working together we
can be of mutual benefit to each other and to the
Dept. - I shall endeavor to keep you advised from time
to time, of my operations, and trust that your
actions

may at all times meet your approval and that
I may have the pleasure of hearing from
you soon making known your wishes, as letters
addressed to me to the care of Maj Ferguson
will reach me.

I have the honor

to the cases of Maj^r L. F. Minten and Maj^r W.
H. Thomas respectively Chiefs of the Com^d
and M^r W^r Dep^t under my Com^d in a. I. They
cannot be replaced, nor can they be re-
-placed without the interests of the
Department being affected thereby.
The character and efficiency of both these
officers is so well known, that I need
only refer to the Chiefs of their Dep^ts in
Richmond for the estimate in which they
are held.

Mr John O'Bannon is the only officer
senior to Maj Minten East of the Miss^s.
He has just been ordered to report to
Gen Holmes as the Chief M^r W^r of his Dep^t.
Maj Blair the Chief Com^d of the same Dep^t
is senior to Maj Thomas - that there

Officers may find no difficulties

"Supp." require that rank be given to
them making them the senior officers
on duty in their Dept. Major Munter

provisional rank given him for that
purpose. Both these officers by their
services and abilities merit promotion.

of which is drawn on Richmond and totally unavail-

of the Capt. that would draw from Richmond
and none in such large amounts as the several Quarters
call for. These funds are now transferable to the hands
of the Capt. and will show on the records of the Treasury

I have just received a letter from the General

 quest that the 1st Regt. be ordered to the same duty, in-
 stead of having much payed to the Quartermaster &c. &c. with
 a letter from you, saying that is fact and request that the
 General be sent out by that Regt. in such manner as will
 be most expeditious and in their judgement saving
 the least risk, so that a proper order of the day will
 not run that Regt. when it goes to the front and not with
 individuals in cases like - for my part I am unwilling
 to be personally responsible for the loss of hands with great
 amount of funds which would be a case, were I to send

Amherst Mass March 12th 61,

Most Excellent Sir,

I introduce, to you,
my friend, Lieutenant Jos. H. Hinkle,
Capt. of the United States Army, I have
known, since, Hinkle for many
years, many of his acts while in
the United States Army, come under my
immediate view, and I can say,
that, a more prompt, honest, and
faithful officer I never saw,
I recommend him, to you,
hoping, if in your power, you
may, do something for him, as
he is, one of the noble officers,
of the United States Army, that
sent forward, his resignation,
on the 1st Inst, you may if,
lost sight of me, since we
fought, the great battle, of Antietam,

With the ever to be lamented,
Edith, as our Augusta baron
our Constitution, in a very, large
body, and never slow, we look
forward, to better times, we still
have, the influence, of Governor
Houston, to overcome, which
we are, very able to do, how-
ever miserable policy, is a lone
star, given us must, &c

Austin March 15,
Jefferson Davis Esq
President &c

Dear Sir

This will
be handed to you by Lieut. Winter
Kate of the U.S. Army, 2nd Cavalry.
He has been since 1838 in this State -
is well known to many of our people
and is popular with them. He is
identified with Texas & is peculiarly
fitted for service upon our frontier.
Under a resolution of the Congress
of the Confederacy our Convention
has accepted his tender of service
& as are other U.S. officers who
have resigned he will be ordered
to report to the War Department &
I suppose, to the General in
charge of the 2nd Cavalry
a team of my old Colonel

Respectfully
Yours
J. H. Rogers

Austin March 8th 1861

[Faint, illegible handwritten notes]

[Faint bleed-through from the reverse side of the page]

[illegible][illegible]

The image is a vertical, grayscale scan of a document page, oriented sideways. It appears to be a ledger or a notebook with handwritten entries. A prominent vertical line runs down the center of the page, dividing it into two columns. On the left side of this line, there are several rows of handwritten text, which are mostly illegible due to the low contrast and blurriness. On the right side, there are also handwritten entries, including what looks like a list of numbers or dates. The overall quality is poor, with significant noise and a lack of sharp detail.

June 25th 1862

Major. The letter of Capt J H Minter relative to his resignation is now before me. Capt Minter a few days since informed me, that he desired twelve or fifteen thousand dollars, as I understood to pay his commissary debts. I requested him to call the next morning, and ~~that~~ he should have at least ten or twelve thousand dollars. When he called, I was in your P O Herbert's office in obedience to his command. Capt Minter was informed of this by Major J S Maize &c. On my return from the general's office I was told that Capt Minter had been in the office. I regretted this, as I desired to hand him as large a sum of money as was practicable.

I beg to state, that Capt Minter's accounts should be paid by him before his resignation should be accepted. We can have money sufficient for this purpose, if his indebtedness is not more than twelve or fifteen thousand dollars. After his liabilities are settled I hope his resignation may be accepted.

I hereby tender my resignation for the following reason to wit: For eight years I have been afflicted with occasional spells of Gravel of the Kidney. Last May I entered service hoping a Campaign would improve my bad health. Soon I began to decline and in July & August I had some severe attacks of gravel which produced organic disease of my Kidneys. Since the latter time I have done no duty & yet am fit for service & to continue in service will be at a sacrifice of my life.

Thos. C. Mitchell Asst. Surgeon of the 53rd Regt. Inf. Va. having applied for a certificate on which to ground my application for a discharge from the Confederate States Army I do hereby certify that I have carefully examined this officer and find that in consequence of dyspepsia and general debility he is afflicted with Gravel, Catarrhs, Affecting seriously both Kidneys and is therefore in my opinion incapacitated to withstand the exposure of Camp life and is unfit to perform the duties of a Soldier & furthermore believe that a continuance in the Service will be at the risk of life and would therefore recommend that his application for a discharge be granted.

Dear Sir,

I have been in regard to the case of Capt
Ly & Mitchell a Quarter Master who was arrested at
the time of the difficulty spoken of at Niagara
George. Mitchell seems to have some
difficulty at that point with
the doctors for which he was arrested
and tried by a court martial which
found him guilty and convicted him on one
or more charges and ordered him to be
dismissed the service. Mitchell wrote
to the President asking him to review
and ~~reverse~~ reverse the sentence, or to
reconstitute him to the service.

When I spoke to you
the record had not arrived, I will
tell that it is now on our way to Washington.

Mr Mitchell is now making of the
return of you and the President in
the case. Apart from her anxiety to
learn the fate of her husband who is
a gallant brave and an efficient
officer her place is in the consideration

But it is therefore to ask you to give
it your early attention, so that she
may depart, and away with her, to her
destination the fate good or bad that
awaits her.

I have nothing of the same spirit
as that Capt. Mitchell was ~~much~~ tried
- But I have been in the service for the 15
years of the war and I know he was then
a brave, honest, & efficient in the discharge
of whatever duty was assigned him. He
is an ardent & suspicious man but
true and brave, and devoted to our
cause. He was regarded and esteemed
by all who knew him as a gentleman
of truth and honor. I always thought
him worthy of a much higher position
& that the one assigned him was

Chas. May 6/62

Lynchburg, 17 Apr 1862

To Hon: G. W. Randolph
Secy of War }

Dear Sir

Our application was made and is on file, no doubt, in the War Office, last summer or fall for the appointment of a Chaplain for this post, and recommending the Rev. Dr. Jacob D. Mitchell as the appointee - The appointment, as we learn, would have been made, but for the idea that the number of soldiers here did not justify it - But things are now essentially changed and we deem it a matter of importance, that it be done.

There are now ~~three~~ hospitals in active use in Lynchburg, with at least 6 or 700 sick soldiers in them - Besides, there are already tented and now being fitted up for other hospitals, six large factories, and we learn from our main Assistant Surgeon, that in a few days there will be at least 1500 soldiers - He thinks probably 2000 in them - There are 13 regular Surgeons, under appointment here, and every thing indicates, that during the summer, Lynchburg must be a scene of painful suffering to our sick & wounded soldiers and deepest anxiety to our citizens generally - Under such circumstances, we think every consideration of humanity requires, all to be done, that can be, to alleviate their condition.

The appointment of a Chaplain for the post is again a greatly conducing to this end and we respectfully & earnestly request that it be made at once.

Most respectfully we are your fellow citizens,

Hon. Sec. W. Randolph

Dear Sir

I understand my friend
the Rev. J. Luther Mitchell D.D. of Lynchburg Va
is an applicant for the position of Chaplain to the
Hospitals in that place, and I beg to recommend
him to your best consideration. He is a gentleman
of excellent talents, finished education, benevolent
heart, devoted piety, and in every way fully
qualified for the duties of his profession.

I dislike to intrude myself on your time by
asking any thing for my friends but I have
known Dr. Mitchell intimately from my childhood
- and must ask your pardon for departing
in this instance from my general rule not to
recommend persons from office, assuming you
that among the many applicants before you
for office no one is worthier than he.

With respect I am

To

Hon. Richd. W. Johnson
Secretary of State -
Dear Sir

Some weeks ago I sent
on an application to the Sec. of War for a
Commission as 2^d Lieut. Artillery in the
Regular Army - As I have received no reply, and
have also been informed that the application was
not made in due form, I have, by the advice
of Genl. Beauregard, sent on another, endorsed by
the Genl. himself & my immediate Commander
M. Col. Ripley - I flatter myself that I have
not neglected the opportunities afforded by my ~~last~~
four month's service in this Army & my participation
in the reduction of this Fort, to acquire some
knowledge of the profession of Arms -

Presuming that your
acquaintance with my Father might render
you somewhat favorable to my wishes in this
matter, I take the liberty of asking your assistance
in the furtherance thereof.

I have the honor to remain Sir

Charleston Sola Nov 5th 1864

General;

I have the honor to request that Major
Julian Mitchell, Commissary Subsistence, lately ex-
changed as prisoner of War, be ordered to report
to me for duty.

Major Mitchell, was appointed as a Commissary
on my application, served with me in the Army
of Northern Virginia, during the Campaign of
1862, and remained with the Brigade under
the late Brig General Sola, after I was ordered
to South Carolina in the fall of that year.
He was captured near Gettysburg, since when
until within a few weeks, he has been a
prisoner in the hands of the Enemy.
The Brigade to which he was attached, I
believe, unfortunately no longer exists, and his
knowledge of the resources of South Carolina
and his associations with Officers now here,
induce me to make the application as above
that he be ordered to report to me for duty.

Maj. Mitchell has lately been released
 from captivity. It is desired by himself
 and others that he should be allowed to
 die in his own state. An influential
 gentleman of his state in two letters to me
 dated the 11th & 18th offered to have him
 a prisoner in So Ca on the ground that the
 people of that state would be likely to be
 better satisfied with the proceedings of
 the 2nd Co. Company & after if he had a
 hand in them. Major M. is an officer
 of good will and does very well as
 Brigade Commander but no such
 effect from his ministrations as is
 expected is desired probable
 and the transfer has been disallowed
 as contrary to general rule.

I consider the affair settled
 and do not incur the force
 of important officers' application
 The military organization should
 suffer in the state.

From the evidence before me, I am satisfied of course that it is likely would make a good offer for me, based at the same time upon the much more so at present. The record covered by this other more definite time for this season, however, I am sure the offer is much more so.

I take pleasure in saying that I have known
Lieut. Mitchell for many years, and can vouch
for his integrity, capacity, and industry. He
is now so much disabled from a gun shot
wound in the right hand as to render it difficult
for him to write at all, but he will recover
the use of his hand in time sufficiently to en-
able him to attend to the duties of his office.

Official Requisition

For

Thirty Saddle Ambulances
Twelve Ambulances

I certify that the above requisition is necessary for the following reasons, 1st The transportation of the Sick & wounded during the winter over bad roads together with the recent move from Cantonville to this point have been the means of great wear & tear in Ambulances & harness, 2^d That in case of an active move on this line many Ambulances for want of Harness would be useless, 3^d An Ambulance Corps is being organized in the 2^d Division, and to make it entirely efficient & ready to move at a moment's notice with alacrity it is necessary to have it as an ~~early~~ date as practicable this additional number of Sells of Ambulance harness and Ambulances

THE UNITED STATES ARMY, AT FORT MONTAGUE, IN ANSWER TO QUESTIONS.

Q. How many times have you been engaged during the rebellion?

A. I never have been engaged during the rebellion.

Q. What commands have you received during the rebellion?

A. I was in command of the 1st Maine Cavalry.

Q. What battles or skirmishes have you been in?

A. I was at the Hospital within 2 miles of Newbern at the time of the fight.

Q. Did you have any command or duty on picket, or what part did you take in the action?

A. I took no part, other than attending to my duties as Chaplain.

Q. Were you furnished with arms, or ammunition, horse, provisions, or any kind of supplies to any extent? State when, where, and how often.

A. I have not

Q. If you were a citizen, would you, that you did not give notice of to the U. S. Gov.

Q. Have you ever been with any one taking or passing horses, arms, or other property?

A. Never.

Q. Are you enrolled in the U. S. Army, loyal or disloyal?

A. Never enrolled.

Q. Are you a citizen of the U. S.?

A. I am a peace man.

Q. Do you ever desire to have the Southern people put down in this war, and the Government of the U. S. Government to be restored?

A. I cannot say that I want to see that done, but I will not lift my hand against the U. S. Government.

The Government of the U. S. Government to be restored, as far as possible.

1. How many slaves have you? None
2. Have you a wife - how many children? Wife & one child.
3. What is your occupation? Preacher of the Gospel.
4. What relations have you in the rebellion?
- None that I know of.

Have you ever been in any Rebel camp? If so, where, when, where and how long? What did you do? Did you leave it, or were you captured in it?

I have been in camp with my Company in Missouri and Arkansas - I was not in either of the Raids made into Missouri last winter & spring - When I entered the Army I did not think that I was violating my oath in doing so - I did not feel soft at home among many of my friends and members of my church were going and I felt like going with them for the purpose of preaching the Gospel to them - I am a Presbyterian Minister - My impression was that to violate my Oath it was requisite that I should furnish material aid or comfort to the Rebels. I have furnished no such aid or comfort as but I instance in the case of a gun which had been left at the house of my Brother-in-law in Cass Co. Mo. - I had heard that the gun was to be taken, and in order to keep strangers out of the house I, at the request of Capt. J. got the gun and delivered it to him -

On another occasion in June of 1862, Newton Co. Mo. having taken down at the house of a friend - Dr. Hazlet - and having heard in camp that the Doctor had lead in his possession, that the lead was to be taken, I obtained from him the Key ^{to} and gave it to a man who was going after it but found that it had already been obtained by another party - My duty in this was to protect my friend from the intrusion of Strangers.

I have never used my influence toward inducing persons to enter the Rebel Service - Prior to the time of my joining the Southern Army or more properly up to June 1862 I was inclined to be loyal in my sentiments - it was more of a Personal feeling which took me into the Army than anything else - I am willing to take the oath of Allegiance & give Bond if required (Sworn and Subscribed) before me this 1st day of September 1863 Geo. Sir:

I hereby
Tender my resignation as Surgeon in the
Provisional Army on account of reasons
set forth in Surgeons Certificate. I intend
the army in the spring & hope that the
war would be closed by fall or winter, but
as there is a probability of its continuance
for some time I feel it due to myself
to resign.

Surgeon U. S. A. C. S.

Doct. J. J. Mitchell Surgeon U. S. A. C. S. having
applied for a certificate of disability on which
to ground the tender of his resignation, I certify
that I have carefully examined this officer
and find him unable to perform the duties
of his office because of Emphysema of the
Lungs and Chronic Bronchitis. I have known
Dr Mitchell several years and it may not be im-
proper to state that his friends supposed him
to be suffering from Phthisis Pulmonalis about
four years ago. The acceptance of his resignation
is respectfully recommended.

I Certify upon Honor that I
have become entirely deaf in one ear and
the use of the other much impaired and is
gradually becoming more impaired every
day so much so. Indeed I fear that perfect
deafness is fast approaching. Also that I
am suffering from some disease of the Lungs
the true nature of which I am not fully
satisfied of but I fear it is Consumption - this
disease being hereditary. My Mother died of it,
and my youngest Sister is now suffering from
the same. Therefore in my opinion it is
absolutely necessary that I should leave the Service
that I may the better take care of my Constitution
which I find is fast declining. Hoping it
will meet with your entire approbation and

I have the honor to acknowledge
the receipt of your communication of the
31st inst. and also your 1st inst. in
reply of 1st inst. I conversed again
with the great Captain after dinner, to your
order, and said him that a lot of
things have been done in relation to the
affairs of the office, he appeared
satisfied and has treated me very
kindly. I have been able to
accomplish many things, and today
morning the command took an excursion
to the Grand Caillou, and will be
collecting some specimens. On the 1st
I returned with the train, hoping to
be able to effect some thing in the afternoon
but have been so busy that I have not
been able to do so. I have been very
busy at present, and I have not
yet got time to communicate to you the
latest condition of the work. I will
send you the return in due time.

The train & horses here will take up
the march on the return this morning
& will not be back until the 10th
which will have been several stages
back. I will be a horse enough
to spend some time in the
country - I have been in
Camping back - a day or two, and in
go to the back then to a good hunting
ground (some horses) and command
them. I have been made a full call
at home, & return to the arrangements for
your visit. The land will be under

you will find all the news through
affairs - as well as this reaching you

the soldiers have left and much has
taken place. I am disposed to think it

The records show that William H. Mitchell was appointed Assistant Surgeon, Provisional Army Confederate States, from the State of Georgia, 28 January 1865, to take rank 27 June 1864.

By Special Order dated 26 July 1864, he was ordered to report to the Medical Director, Atlanta, Georgia, for duty. No other record of him has been found.

This collection of records is by no means complete, and failure to find the entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

to call your attention to my letter of
the 10th inst. regarding my resignation
as Quartermaster Major to the 2nd Missi Battalion
I am unfit for active field duties as the

may be months and probably a longer period
before I shall feel able to resume the duties
of my office. I would not object to a transfer

upon immediately I would like to get a furlough
